Safety and Security Policy

The following policies have been created to promote the safety and security of all minors under the age of 18 participating in any and all church programs or sponsored events, at the church and off-site.

Any minor is first and foremost the responsibility of his or her parent(s)/guardian(s) or other responsible adult designated by the child's parent or guardian. No minor under the age of 18 is to be on the church property unsupervised at any time except as set forth herein. The church is not responsible for minors who leave a church program without the supervision of a parent/guardian.

All children under the age of 5 years old must be signed in and out by a parent/guardian or other designated responsible adult. Parents/guardians or other adults bringing minors to participate in church programs or sponsored events must not leave until they sign-in their child as appropriate and ensure that the appropriate church staff member(s) and/or volunteer(s) is(are) present. Minors who are dropped off for church programs or sponsored events must be walked onto the property and into the building to the designated meeting place by the parent/guardian or other responsible adult designated by the parent/guardian. Middle and High School students will be allowed to walk between church buildings during daylight hours.

If the parent/guardian or responsible adult leaves the church property or is participating in a church program or sponsored event and the minor is not, it is the responsibility of the parent to make arrangements for another adult to be responsible for their child, or to make prior arrangements through a church staff member for supervision of the minor. Please inform the Director of Children's Ministry.

Minors who arrive at the church on their own, must check-in with the appropriate church staff member upon arrival and before departing and, while on campus, must be accountable to this staff member or another responsible adult as designated by the staff member. Minors under the age of 18 who are licensed drivers, must inform the appropriate church staff member or volunteer that they are leaving the church property.

Adults authorized to pick up children from Sunday School and/or activities:
