

Noah's Flood

BY BENJAMIN BRITTEN

Benjamin Britten's one-act *Noye's Fludde* is a church parable that teaches the story of Noah and the Flood through staged operatic characters, hymn singing, cleverly scored orchestration, and the debut of the *Opera Las Vegas Children's Choir* as the animals. It's one of a kind - and simply divine! Choose from three superb performances - and help support flood relief to American families.
